

Smart Café

Revolutionary Innovation

Award winning technology with luxurious hot & iced consumer experience.

The superpowers

- + Game-changing multi-award winning touch screen technology with 500+ combinations, all served in less than 90 seconds.
- + Every cup of Hot or Iced Costa Coffee features freshly ground beans that have been slow roasted to perfection and fresh milk.
- + Customize with sugar and flavor shots such as vanilla and caramel, allowing consumers to make their drink exactly as they like it.
- + Connected to a smart ecosystem for real-time sales and insights information.
- + No incremental labor or equipment charges. Just great coffee and monthly shared revenue.
- + We provide the equipment, consumables, POS materials and cleaning products. We also provide crew training and have a 24/7 support team on the tend of the phone. You simply provide water, utilities, fresh 2% milk and labor.
