

Pacto

Variety at your fingertips

Wide-range of premium quality espresso-based drinks at the touch of a button.

The superpowers

- + Innovative fully automatic espresso equipment, which brings the range of a café to you all at the touch of a button.
- + Consistently great beverages all served in less than 90 seconds.
- + A full range of cup sizes for espresso (4oz), small (8oz) and large (12oz) drinks, delivering barista-quality and enviable choice.
- + Perfect for served or self-served locations, with an optional payment system.
- + Connected to a smart ecosystem for real-time sales and insights information.
- + No equipment outlay; easy revenue share model.
- + We provide the equipment, consumables, cups, POS materials and cleaning supplies. We also provide crew training and have a dedicated phone support team 7-days per week. You simply provide water, utilities, fresh 2% milk and labor.
