

Podio^{X1*}

The new black

Exceptional coffee shop espresso and drip coffee.

The superpowers

- + Our revolutionary double pressure system caters for both espresso and filter coffee.
- + Unique technology allows for optimal water distribution to extract coffee-shop quality espresso.
- + Pre-infusion technology delivers a great taste and richer aroma.
- + A full range of cup sizes for espresso (4oz), small (8oz) and large (12oz) drinks, delivering a coffee shop quality taste and enviable choice.
- + Quick and easy to install plug-and-play system. Win, win.
- + Everyone's a superstar barista - intuitive machine design and pod recognition technology recommends the optimal drink, ensuring the perfect extraction every time.
